

# NEW HOPE HERALD

CHRISTMAS 2021

## Merry Christmas!

2021 was quite a busy year with slowly integrating our students back into the ministry with COVID restrictions in place. We were glad to see more of their smiling faces once again, even if they were behind masks! A lot of our children and youth are looking forward to celebrating Christmas at Nueva Esperanza once again. We won't be able to have Christmas programs or big parties like usual, but our teachers and tutors are working hard to help our students celebrate!

Our youth were able to help us decorate for Christmas this year, and some even learned how to make Christmas decorations for their homes. We're looking forward to giving them their Christmas gifts closer to Christmas. We'll also be able to bless their families with gifts as well! Our students are excitedly anticipating celebrating with their classmates at Nueva Esperanza before they leave the ministry for Christmas break.

# Hopes and Dreams for Future Generations

Diego and Ever are twins that came to Nueva Esperanza when they were three years old. Both boys are very bright and have done well in school. When they were thirteen years old, their mom left for Spain but things didn't end well for her. After three years of being raised by their grandmother and aunt and living from the funds their mother would send them, she returned to live with them physically and mentally ill. The tables have turned and now she depends on them 100% to take care of and support her and their grandmother.

Diego is sixteen years old and in the 10<sup>th</sup> grade. His interest in learning the trade of Barbering led him to an apprentice opportunity where he works eight hours each day learning the trade. He doesn't get paid, but the owner of the barber shop covers his transportation expenses. His goal is to become a barber in order to support his family. This arrangement has worked for him because this last school year has been online due to the pandemic. However, school will resume normal in-person classes in February and a decision will need to be made. Will he continue working as a barber to support the family or finish his high school education?

Barbering and Cosmetology are programs we plan to offer the students of Nueva Esperanza in the future NE Career & Training Center. Lack of education and training is a common problem in Honduras for many young people desperate to work in order to provide for their family's basic needs. Many times this leaves them very vulnerable. A facility that will give **HOPE**, allow many to gain the knowledge and experience they need to get and to keep a job, and allow them to finish their high school education at the same time is greatly needed.

The reality of equipping, ministering, and educating the children who move from our children's ministry to our youth ministry is closer than ever! Building a safe and modern training facility will give these young people a foundation in trades that will allow them to escape the cycle of poverty that has been part of their families for so many generations. This will help them become productive and contributing citizens of Honduras. We know that many of you have shared in this long-awaited dream with us. We ask that you join us in prayer that God will grant us favor in our endeavors to see this much-needed project become a reality. If you would like to contribute toward this project, you can go to our website at <https://ne.breezechms.com/give/online> and choose "Give to Building Fund for Youth".

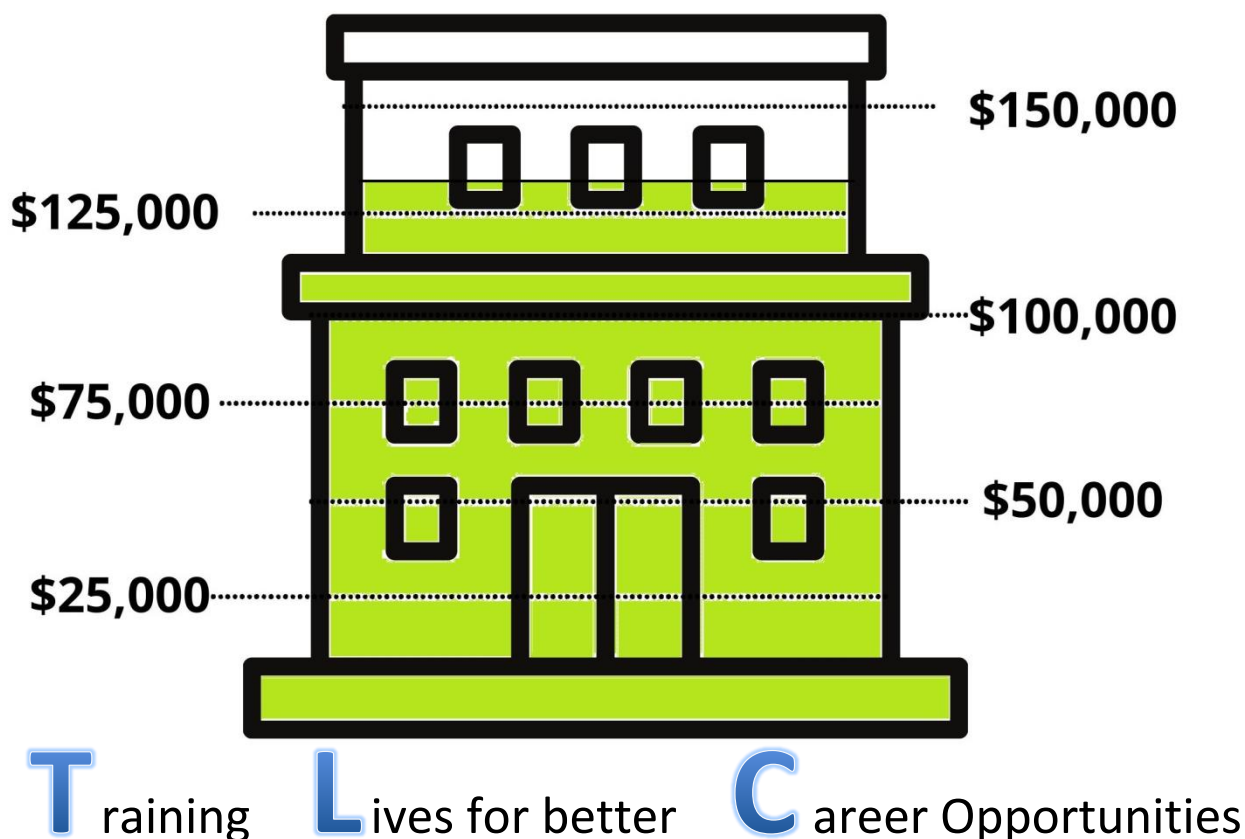

## Double Your Donation

There is still time to **DOUBLE your donation** toward the future Nueva Esperanza Career & Training Center! A few churches have joined together to offer matching funds of up to \$175,000 from individual donations. Until December 31<sup>st</sup>, 2021, your donations will double the impact for making the dream to build this facility a reality.

**We still are in need of \$41,328.00 to meet our goal!**

**Goal: \$175,000**

**Received= \$133,672.00**

Visit our [Double Your Donation](https://hopeinhonduras.org/double-your-donation/) page to follow our progress with this challenge at <https://hopeinhonduras.org/double-your-donation/>.

Reaching the double your donation goal will bring us to 40% of the total needed to build the basic structure of the Career & Training Center! We are thrilled to be so close to reaching this landmark. As we continue to move forward in making this dream a reality, we would ask that you would **prayerfully consider pledging a monthly gift of \$50, \$100, or \$200 for 2022 “Nueva Esperanza’s 30<sup>th</sup> Anniversary Year.”** Be sure to let us know that your pledge is to go toward the “Career & Training Center Building” and pray with us that it will impact many, many more lives for Christ!

## Congratulations to our Graduates!

This year, we had six high school graduates! With classes being especially difficult since they have been all online for the last two years, we're extremely proud of our teenagers who pushed through to complete this wonderful achievement!

We now accept online donations at [www.hopeinhonduras.org](http://www.hopeinhonduras.org)!
